EVER BILIOUS?

Charleston, Miss.—Mrs. R. V. Heins, of this place, says: "I have never had to use very much medicine, because if I felt headache, dizziness, or colds, bad taste in the mouth, which comes from torpid liver, I would take a dose or more of Black-Draught, and it would straighten me out and make me feel as good as new. We have used in our family for years

THE FORD'S

BLACK-DRAUGHT

and it certainly is the best liver medicine I ever saw. It has not only saved me money, it has helped keep my system in shape, and has never weakened me as so many physics do. I recommend it to my friends and am glad to do so." Black-Draught is the old, reliable liver medicine which you have doubtless heard much about. When you feel badly all over, stomach not right, bad taste in your mouth, bilious, or have a headache, try Theford's Black-Draught. At all Druggists.

Ford
THE UNIVERSAL CAR.

ONE HUNDRED PER CENT "PEP"

When your Ford car or your Ford truck doesn't display its usual quantity or quality of "pep" and dash, it's time to have a repairman who understands the Ford mechanism give it the "once over"—then make the necessary adjustments or repairs and return it to you full of its old time "pep" and energy and pull. You'll notice the difference.

We employ only skilled Ford mechanics—men who know how Ford cars are made, and how they should be kept to give the most efficient and economical service. And our shop equipment boasts a great many specially designed tools and time-saving devices and machinery.

Don't risk chances, play fair with your Ford car. Keep in the hands of its friends, the Authorized Ford Dealers.
